

ALOHA HUMBOLDT

## Forbidden Fruit

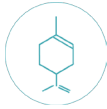

70/30 Indica dominant

### CULTIVATOR NOTES

This well-balanced cross of Cherry Pie and Tangie enchants the nose and palate with its pink grapefruit and tangerine notes followed by a burst of red fruit and cherries. This unforgettable strain also presents tropical fruit flavors on the palate such as passion fruit, which is balanced by bright citrus. Forbidden Fruit not only tastes delicious but it's visually stunning with its dark purple hues. An absolute showstopper! While this strain is indica-dominant, it's a perfect match for enjoying during brunch or as an aperitif before dinner to awaken the appetite.
