Our Story

Aloha Humboldt's estate family farm is nestled in the dense forests of northeastern Humboldt on a mountaintop overlooking the Trinity Alps. Owners, Linsey and Ryan Jones have been cultivating cannabis together since 1998, giving each plant individual attention and care. They grow cannabis using sustainable farming practices.

Products

Aloha Humboldt grows a variety of strains in Humboldt County under the full sun, and offers them packaged as pre-rolls, eighths, or half ounces. The focus on small-batch organic farming yields cannabis that is rich in flavor and good for the body.
