

ALOHA HUMBOLDT

## Sherbet Frosting

Indica-dominant hybrid

### CULTIVATOR NOTES

Both tart and sweet, Sherbet Frosting immediately entices the nose and palate with bright lemon, grapefruit, nectarine, mint, and pine tree aromas and flavors. As you continue to smell and taste, the terpenes provide a boost of energy, clearing the mind with exhilarating euphoria. Expressive and bright, Sherbet Frosting is a wonderful match for light cuisine or can act as a palate cleanser, perfect for enjoying after rich, fatty foods.

**Wine Pairing:** Due to the strain's lemon, grapefruit, and green characteristics, Sherbet Frosting is a fantastic match with Grüner Veltliner. High in acidity, Grüner compliments the strain on the palate and provides similar zesty notes, making it a balanced pairing. Look for Laurenz V. Singing Grüner Veltliner.
