

Cookies

Indica-dominant hybrid

ALOHA HUMBOLDT

Cookies exhibits notes of baked dough and mint, followed by savory thyme, mushroom, and earth. This strain is dense and powerful as its aromas and flavors linger on the nose and palate. As you continue to smell the strain, there's a hint of smoky meat and spearmint that delivers a tingling sensation. Cookies is bold enough to pair with your favorite grilled meat entrées and is a relaxing strain to wind down to at the end of a meal. Due to Cookies's minty, savory, and smoky meat characteristics, this strain makes a wonderful match for cool-climate Syrah.
